Call Button

Pendant

Wristband

Required tools (not included):

- PC or Mac
- Mobile device (iOS, Android)

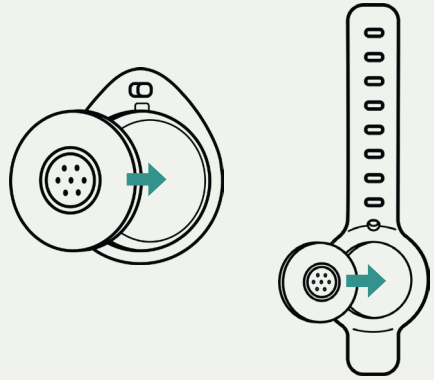
Estimated time:

- Onboarding the Wearable Call Button - 10 minutes

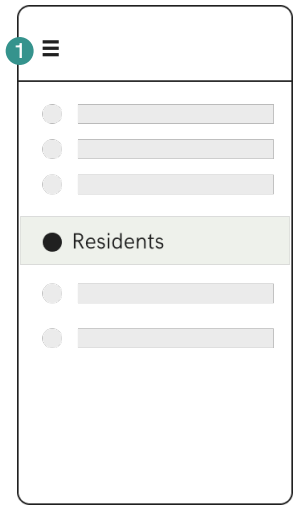
Before you begin:

- Read all safety precautions before starting the installation.
- Please make sure the Nobi Light is installed and configured before starting the onboarding of this Wearable Call Button.
- Sign in to the Nobi mobile app as a managing user at the community level.
- A resident profile has been created so the Wearable Call Button can be assigned to the resident.

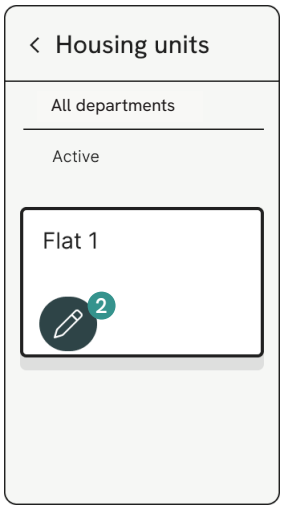
Position the Button to be placed inside the wristband or pendant holder like diagram below.



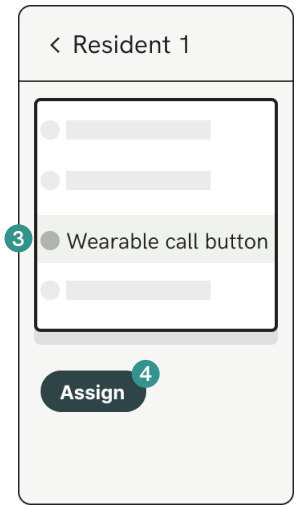
Pairing the Wearable Call Button



1 Go to **Housing units** in the left menu.



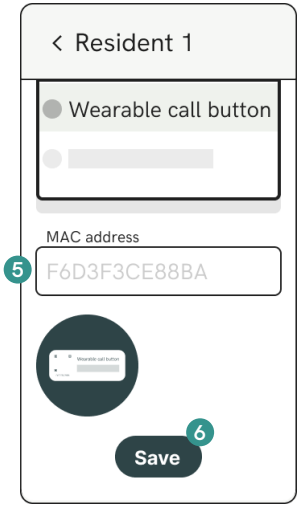
2 Press the **Pencil** button next to the resident you want to assign the Wearable Call Button to.



3 Go to the **Wearable Call Button** tab.

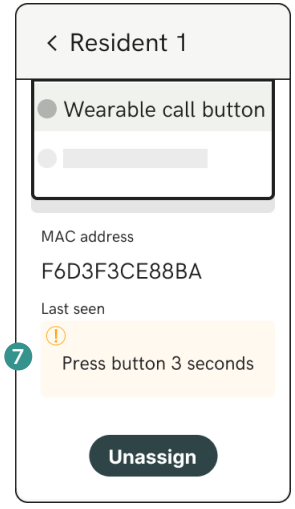
Don't see the tab? Contact Nobi Support.

4 Press **Assign.**



5 **Enter the MAC address** located on the back of the Wearable Call Button.

6 Press **Save.**



7 To activate a new Wearable Call Button, **press and hold the button for 3 seconds.**

Activation is complete when the button is within range of a Nobi Light.

Verify if the last seen data appears at the tab of this Wearable Call Button.
