

The 10-slot charging cradle keeps a community's Samsung Galaxy XCover 7 devices charged and ready between shifts. Ten devices can charge simultaneously in a single cradle, so a caregiver coming on shift simply takes a fully charged device, while the previous one goes back into the cradle to charge. Devices drop into place and charge through pogo pins, with no cables to connect. An LED for each slot indicates when the device is ready.

Product overview

Product name	Charging Cradle (10 slots) for Samsung Galaxy XCover 7 devices
Model number (SKU)	896681

Key features

- **Charge the whole team at once:** 10 Samsung Galaxy XCover 7 devices charge simultaneously, each with 15 W fast charging.
- **Ready for shift changes:** Day-shift devices charge while the night shift uses theirs, so a fully charged device is always at hand and nobody has to leave the floor to charge a device.
- **Status at a glance:** An LED for each slot indicates charging, fully charged, or an error, so staff can see at a glance which device to take.
- **Gentle on devices:** Devices charge via pogo pins instead of the USB port, reducing wear and tear on the connector.
- **Safe charging:** Temperature detection prevents overheating, protection guards against liquid damage, and adaptive charging helps protect battery life.
- **Future-proof:** A spacer system adapts the cradle to fit the next generation of Galaxy XCover phones.

Physical characteristics

Dimensions	19.7 x 4.7 x 2.5 in / 500 x 120 x 64 mm
Weight	2.64 lbs / 1,198 g
Color	Black
IP rating	IP20
Operating temperature	32 °F to 104 °F / 0 °C to 40 °C

Technical specifications

Power input	DC connector, 12V/10A
Charging output	15 W fast charging per slot

Connectivity

Interfaces	Pogo pins – no connection to the device's USB port

Certifications & standards

Certifications	UKCA CE
Recycling
