

The Samsung Galaxy XCover 7 is the smartphone Nobi recommends to communities. It is a water- and dust-resistant, sanitiser-resistant Android device on which the Nobi app has been validated to run reliably. The device is delivered pre-configured by Nobi and managed through Mobile Device Management. Once connected to the community WIFI, it enrols automatically, installs the Nobi app and applies the community's policy.

Product overview

Product name	**Nobi Managed Smartphone includes:** ▪ Samsung Galaxy XCover 7 (SM-G556BZKDEEB) ▪ 3 year subscription of Mobile Device Management
Model number (SKU)	150001

Key features

- **Validated for Nobi:** The Nobi app is validated on this device for predictable, supported performance.
- **Ready out of the box:** Devices arrive pre-configured. Connect to WIFI and the device enrolls in Nobi's Mobile Device Management automatically, installs the Nobi app and applies the community's policy.
- **Managed by Nobi:** Locked to the Nobi app by default. Approved care applications (e.g. EHR) can be added per community and are enabled by Nobi Support; contact **support@nobi.life** to request them. Notification settings are locked so alerts are never silenced, and Nobi tests every OS update before release.
- **Built for care work:** IP68 water and dust resistance, validated durability, resistant to common disinfectants, usable with gloves and wet hands. NFC for Nobi Badge login.
- **Power for every shift:** Removable battery and multi-device charging cradles (not included) for quick swaps between shifts.
- **Programmable XCover key:** Dedicated hardware button, reserved for future Nobi use cases such as push-to-talk between colleagues or assistance call.

Physical characteristics

Dimensions	6.65 × 3.15 × 0.40 in / 169.0 × 80.1 × 10.2 mm
Weight	8.47 oz (240 g)
Color	Black
IP rating	IP68
Operating temperature	32 °F to 95 °F / 0 °C to 35 °C
